QUESTION TO ASK THE LAWYERS:

1. Is our initial consultation/meeting free?
2. What percentage of your practice is devoted to cases like mine?
3. Will you personally work on my case, or will you delegate it to an associate attorney or a Paralegal? Will assistants' services be billed separately from the lawyer's rates?
4. Will you keep me notified of the progress of my cases?
5. How long should it take you to complete my case, roughly, and what is it going to cost me?

Fees – Fees are negotiable. Shop around for an attorney that you can afford.

Do you provide any services for a flat fee? (e.g. for making a deed, or title searches?
What are your hourly rates?
Do you require a retainer for your services? (pre-payment for services)
Do you accept contingency fee arrangements?
Will you provide a written estimate of all cost & expenses before working on the case?
